Plan Areas	Type	Rezoning	Developer / Architect	Address	Development	Residential Strata Units	Residential Rental Units	Status
	Multiple-Family Residential	REZ #25-16	Integra Architecture Inc.	3588 Wayburne Drive	Amend the previous REZ #19-62 which received Final Adoption on May 8, 2023, and permitted the construction of a multi-family residential townhouse development comprised of thirteen 3-4 storey townhouse buildings, inclusive of 130 mixed market strata, market rental and non-market rental townhouse dwellings above underground parking. The proposed amendment seeks to replace a portion of the previously proposed stacked town homes on the interior of the site with a 6-storey purpose-built rental apartment building with 126 units and a ground-level childcare facility. It is noted that the proposal is consistent with the permitt Low-Rise Apartment 2 - 6 Storey building height and land use designation within the Burnaby 2050 Official Community Plan.
